AIA PROTECT 3

ARM YOURSELF AGAINST THE 3 BIG CRITICAL RISKS WITH STRONGER, MULTI-STAGE COVER

Stay protected against cancer, heart attack and stroke, with enhanced cover for gender-specific cancers.

AIA

HEALTHIER, LONGER, BETTER LIVES

Working Singaporeans face a critical illness protection gap of 74%[#]

With healthcare costs on the rise, these gaps are getting harder to ignore. As you care for your growing children and ageing parents, you deserve critical illness (CI) coverage that stands strong when it matters most.

AIA Protect 3 makes that possible with affordable protection against Singapore's top 3 CIs[*] which make up about 90% of CI claims:

Cancer

Heart Attack

Stroke

Plus, a gender-specific benefit for major stage cancers from the 3rd policy year – so you're better covered for what lies ahead, without added financial stress.

Comprehensive coverage for every stage and beyond

Protection that suits & stands by you throughout
Choose from three coverage levels (S$100K, S$200K & S$300K) to suit your budget, with protection[2] against early, intermediate and major stages of Singapore's top 3 CIs.

Coverage for the years ahead
As we live longer, enjoy peace of mind with a plan that covers you up to age 85.

Stay healthy, get rewarded
Good health deserves recognition. Stay claim-free and receive 25%[1] of your coverage amount back at age 65 or after 15 years, whichever is later.

It pays to start early
Start your coverage earlier and enjoy lower premiums from S$0.56/day[3]. You also have the option to pay fixed premiums[4] from age 70, so what you pay stays the same with no surprises.

Extra protection for gender-specific cancers
With cancer risks varying by gender, your cover also includes an additional 15% payout[5] for major stage gender-specific cancers from your 3rd policy year — giving you greater financial assurance.

Simple sign-ups, no medical checks
Get your coverage in minutes by simply answering 4 questions.

Coverage that never lets up

Gilbert, 35, is married with 2 young children. He already has critical illness insurance but is looking to boost his protection for the most common critical illnesses. He purchases **AIA Protect 3** with a coverage amount of S$300,000.

Age

35

Gilbert buys **AIA Protect 3**.

Coverage amount: **S$300,000**

65

As Gilbert reached age 65 without making any claims, he received 25% of his coverage amount back.

Cashback benefit: **25% x S$300,000 = S$75,000**

70

Gilbert chooses to switch to paying fixed premiums, so the amount he pays each year from now onwards remains the same until age 85.

72

Gilbert is diagnosed with major stage lung cancer. **AIA Protect 3** pays S$345,000 under major stage critical illness benefit & gender cancer benefit.

Major stage critical illness benefit[2]:	+	Gender cancer benefit: 15% x S$300,000 = **S$45,000**	=	**S$345,000**
S$300,000				

His policy terminates after this payout.

Total benefit received by Gilbert:

S$75,000 (cashback benefit)	+	**S$300,000** (critical illness benefit[2])	+	**S$45,000** (gender cancer benefit)	=	**S$420,000**

Terms and Conditions:

[1] A one-time payout of 25% of the coverage amount will be paid on the policy anniversary on or after the insured's 65th birthday, or 15 years from the policy date, whichever is later. Your policy will continue to provide coverage for critical illness and gender-specific cancers thereafter.

[2] We will pay the higher of (i) 100% of the coverage amount, or (ii) the total annual premiums paid (excluding any premium adjustment for non-annual premium payment mode), after deducting any cashback paid.

[3] Premium is based on a 16-year-old male at the age of entry, and a non-smoker, with a coverage amount of S$100,000, using the annual premium rate divided by 365 days.

[4] Premiums will increase with age and are not guaranteed; they may be adjusted based on future claims experience of the plan or changes in regulatory requirements. You will be advised on revision in your premium rate, if any. You can opt for fixed premiums at any time before the policy anniversary on or after age 70.

[5] This benefit is only payable once, and does not reduce the coverage amount upon payout.

[6] Both Engagement Booster and Annual Insurance Booster under the Vitality Coin Boost are calculated based on a standard premium (exclusive of GST) and are not applicable on any extra premiums due to loading.
